## **TINO OCTAGON MEMBER REGISTRATION FORM**

### **Who We Are:**

Tino Octagon is the high school division of the international organization Junior Optimist Octagon International abbreviated as "JOOI". JOOI has three divisions: Alpha clubs for elementary students, Junior Optimist clubs for middle schoolers, and finally Octagon clubs for high school students around the globe. Tino Octagon is proud to represent Cupertino High School as part of JOOI International Organization.

### **Purpose:**

The purpose of Octagon is to promote positive change in the community and encourage social connections. Tino Octagon will be taking place in many community service and social events this year hopefully creating an environment for meeting new people and contributing to the society. Tino Octagon members will have a chance to strive for maximum community service and achieve the Presidential Award. This year Tino Octagon will strive to achieve the group presidential award through the hard work of our dedicated members.

### **Membership Qualifications:**

Qualifications to join our club are really simple. Students do not need a certain grade point average to join this club and no ASB membership as well. We request a donation of \$5 from every member to create a well established financial ground for this years events. Money will be used for social events (free food at social events) and fundraisers such as carwashes and etc. In order to be an official member of the JOOI international organization, *they* request a mandatory payment of \$5.00. (Only if students are planning to be enlisted in the international organization.)

### **Membership Responsibilities:**

We request all members to show up to our meetings that take place every other Wednesday in Room 308 during lunch. Sometimes we will be giving out **free food without prior notice**. Students are expected to be on their best behaviors during all club meetings and events. We stress students need to be on their best behavior at all Tino Octagon events; they will be representing Cupertino High School and JOOI. Students who fail to meet the behavior responsibilities will be meeting with our club advisor and/or school office for consequences. This year we will be hosting events with other clubs on campus and with other clubs in the district and students need to represent Tino Octagon and CHS in a well-behaved manner. Last year, students were very disrespectful at club meetings, however this year students will be reported to club advisor if they are not on their best behavior during all club meetings.

Tino Octagon sincerely hopes that you will join us in order to help serve the community and create a positive change in the society. GO TINO OCTAGON!!!

*In order to attend Tino Octagon's events students MUST have this form signed.*

*Please turn this form before Wednesday October 16th.*

- Yaswanth Vura, President
- Sai Sujit Madiraju, Vice President
